## In the Spotlight Vineyard Crossings Head Start

Our beautiful Vineyard Crossings Head Start is in American Canyon, Napa County.

## Vineyard Crossings Head Start

Vineyard Crossings is a two-classroom duration site, but due to the pandemic at this time we are operating only one classroom, let me introduce our team.

Vineyard Crossings 1 team: Maria the Center Director, Lorena our Family Advocate, Crystal our Lead Teacher, Esmeralda our Associate Teacher, Flor our Classroom Aide.

Vineyard Crossings 2 team: Angelina our Lead teacher, Kristle our Associate Teacher, Esmeralda our Family Advocate (not pictured).

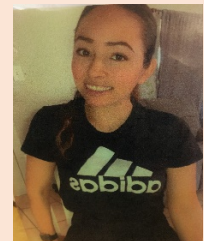

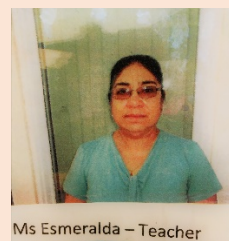

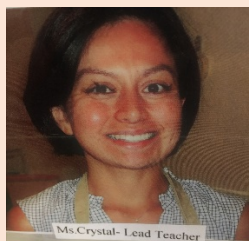

Our team together has a combined 37 years of service with Child Start!

We all may have different personalities, but our Child Start mission is still the same. We all enjoy working with the families, teaching the children, and making a difference in their lives and in our community.

COVID-19 brought a lot of changes to our lives, changing the way we work but we are still here, adapting and have learned to be more technology savvy. Wearing our face mask is the new norm, social distancing... and lots of hand washing!

Something we always enjoyed prior to COVID was our monthly team potluck and we are looking forward to doing it again. 😊 Until then, this is us!

We miss seeing everyone in person and we hope to see you soon, stay safe and healthy.

## This Week Trivia Question

► Who created the teaching of young children in a children's garden type of style, also known as Kindergarten?

► Submit your answers by sending an email to:

lpineda@childstartinc.org By Thursday February 18, 2021

### Last week's trivia Question answer:

True or False? The Kaiser Childcare center was a WWII era large scale center that operated around the clock in Portland, OR.

If your answer was **"TRUE", YOU ARE CORRECT!**

Henry Kaiser built numerous childcare centers to care for children whose mothers were working in Kaiser shipyards during World War II. This video, which includes 1940s-era footage and still photos, depicts "budding Rembrandts" creating artwork in the childcare centers. Some of this artwork is on display at the Richmond Museum of History in Richmond, Calif. Read more in "A History of Total Health," the Kaiser Permanente history blog, at [www.kaiserpermanentehistory.org](http://www.kaiserpermanentehistory.org).
