

## WEEKLY UPDATE | September - 20 - 2021

Positive & Goal-Oriented Relationships

Equity, Inclusiveness, Cultural and Linguistic Responsiveness

### Families as Lifelong Educators

Parents and families observe, guide, promote, and participate in the everyday learning of their children at home, school, and in their communities.

## "Tell Me Something Good"

### Outreach and Recruitment

The Woolner team, in support of our agency's outreach and recruitment, hit the pavement in-person at Home Depot, neighborhood apartment buildings, Mission Solano, and the Food Bank in support of our 2021-2022 enrollment goals.

Kim Robinson, along with Phebe, Noemi, Ruby and Olivia distributed applications around the Woolner neighborhood, and used our recruitment flyers to promote our comprehensive services at other locations.

Their efforts resulted in several completed applications toward our enrollment goal of 65% by the end of September.

Way to go Woolner Head Start Team!

Shared by Nancy Hocke

## September is Suicide Prevention Awareness Month

Beyond these autumnal tidings, September is also home to something very important.

### Is Suicide Prevention Awareness Month.

This month's wellness tip is to take a suicide prevention training or take another step to learn more about suicide prevention.

You can have these resources handy.

You can use them to help a loved one who is struggling.

You can learn more at the

[Suicide Prevention Resource Center](#),

[Action Alliance](#), [NAMI](#), or

the [National Suicide Prevention Lifeline](#)

- C. Solitary Play

Submit your answers by sending an email to:

lpineda@childstartinc.org By Thursday September 23, 2021.

## Last week's trivia answer:

Who developed the Waldorf Schools?

If your answer is C. Rudolf Steiner. **YOU ARE 100 % CORRECT!!**

Rudolf Steiner

Founded in the early 20th century, Waldorf education is based on the insights, teachings and principles of education outlined by the world-renowned artist, and scientist, **Rudolf Steiner**. The principles of Waldorf education evolve from an understanding of human development that address the needs of the growing child.
