Fiscal Department

Change in Payroll Schedule is effective now

As of July 1st, 2022, Child Start pay date schedule when into effect. Instead of pay day being the 15th and last day of the month, starting in July 2022:

- the pay period ending on the 15th will be paid on the 22nd of the month; and
- the pay period ending on the last day of the month will be paid on the 7th of the following month.

Benefits of New Procedure

- All staff will be able to view their checks 4 days before they receive their pay, allowing them to make any necessary adjustments prior to pay day.
- The ability for employees and supervisors to make corrections and adjustments prior to submitting payroll will reduce the number of manual checks that are issued every pay period due to potential errors.
- The new process will eliminate the complexity of reconciling timesheets to pay checks and will allow the timely capture of accruals such as vacation and sick time.
